

STATEMENT UNDER 37 C.F.R. §1.825(a)

Applicant herewith states that the preparation of the attached replacement compact disc containing the computer readable copy of the sequence listing was created directly from the original paper copy of the sequence listing submitted with the present application. The replacement compact disc includes no new matter and accurately reflects the substance of the sequence listing as originally filed. The attached computer readable copy of the sequence listing is the same as the paper copy attached hereto. Both items were prepared utilizing the PatentIn 3.2 software. The attached replacement compact disc contains all of the sequence listing files associated with the present application.

Should any questions regarding the attached submission remain, the Applicant respectfully requests that the Examining Attorney contact the undersigned attorney by phone.

Respectfully submitted,
